

Jordan Cattle Auction

December 3, 2011

SAN SABA - Receipts totaled 1964 head. The demand was strong and the market was very active with a lot of the pairs and bred cows selling \$200 to \$400 higher than the last replacement female sale in October. Some areas have had decent rainfall but most of the reason for the stronger market is the calf market which has seen a lot of calves selling \$20 cwt to \$40 cwt up to \$50 cwt a hundred higher over the last month with some 310 pound calves bringing \$216 cwt and some packer cows up to \$77.50 cwt this past week. With the extremely low number of cattle in inventory across the United States, many feel as we move into spring we will continue to break record prices in all categories of the calf and yearling market. A lot more cattle stayed in Texas from this sale than in the past, but we did have quite a few go out of state to Arizona, New Mexico, Oklahoma, Kansas, Nebraska and Wyoming. Pairs sold mostly from \$1250 up to \$1600 with one draft of 27 Angus pair selling for \$1710. Over 900 bred cows were sold with the young and fleshier ones selling mostly from \$1150 up to \$1500 with one set of 83 head of 2nd calf Gert/Hereford cross cows bringing \$1605. Solid mouth cows and ones carrying less flesh brought from \$850 up to \$1150. Bred heifers were in good demand with most going from \$1000 up to \$1450 with one set of 7 fancy spring calving Brahmans selling for \$2075. Open heifers sold from \$850 up to \$1100 with one set of fancy Premium Black Gold Brangus going for \$1240. The next replacement female sale will be Saturday, December 17th in Amarillo, Tx. at the Amarillo Livestock Auction in which we will be selling 2000 head off the Cottonwood Cattle Company. For more information, please go to our website www.jordancattle.com or give us a call 325.372.5159.
