MASON & SAN SABA – Receipts totaled 1163 head for the week. The market was uneven with the uncertainty on the corn crop this year due to the dry conditions in the corn belt area which pushed corn prices up each day this week increasing the cost of gain in the feedlots. Stocker steers were \$5 lower but stocker heifers sold \$3 higher. Feeder steers and heifers were \$3-\$5 lower. Packer cows were \$2 higher and bulls were \$3 higher with the top bull at 114.75. Pairs and bred cows were steady and in good demand.
