MASON & SAN SABA – Receipts totaled 5457 head for the week. The market was active and demand good. The market had a softer tone on the light weight calves due to the continued dry conditions causing the wheat field grazing to deteriorate and sending those light calves to grow yards or feed yards where the cost of gain is much higher than the wheat fields. The stocker steers were selling \$4.00 lower and the heifers were \$5.00 lower. The bigger feeder steers and heifers were steady to \$1.00 higher. Packer cows and bulls sold steady to \$3.00 lower after last week's \$3.00 increase. Bred cows, pairs and young bulls were in strong demand on a good offering of over 500 bred cows and 50 bulls.
