MASON & SAN SABA – Receipts totaled 815 head for the week. The market remains active with stocker steers and heifers selling steady with a good offering. We started seeing a few fleshier new crop calves this week which sold \$5.00 back of thin conditioned calves of the same weight range and quality. Feeder steers sold steady from last week and feeder heifers sold \$3.00 higher. Packer cows showed no change from last week and packer bulls sold \$2.00 lower. Stocker cows and pairs sold in good demand. We want to remind you we will not be having a sale on Monday, April 1<sup>st</sup> in Mason in observance of Easter.
