

## **Jordan Cattle Auction October 24, 2015**

**SAN SABA, TX** – Receipts totaled 1803. A good crowd was on hand from all across Texas, Oklahoma, New Mexico, Louisiana, and Arkansas along with 598 on the internet on a great rainy day in which we received over 7.5 inches of rain. The market had overall a firmer undertone mainly due to the optimism created with the abundant rainfall that fell across most of the state of Texas and surrounding states. The pairs were in good demand with most selling from \$2350.00 up to \$2950.00. The long and middle bred cows were very active ranging from \$2000.00 up to \$2475.00. The short bred (1-2 months cows) sold from \$1525.00 up to \$1950.00 on a very limited offering. A good offering of bred heifers sold with the bigger medium to long bred heifers bringing from \$1800.00 up to \$2550.00 except for a couple of Brangus and Tigerstripes that went from \$2650.00 up to \$2850.00. The younger aged bred heifers and ones carrying less flesh that were winter and spring calving ranged from \$1650.00 up to \$1850.00. The open heifers that were ready to breed in December ranged from \$1500.00 up to \$1750.00 except for a few groups of True F-1 Tigerstripe that went for \$2100.00 up to \$2500.00. The younger lighter weight open heifers brought from \$1150.00 up to \$1500.00 depending on kind and size. The next female sale will be on Saturday, December 5 in San Saba.
