MASON & SAN SABA – Receipts totaled 1,687 head. The market was active with the stocker steers and heifers steady. The feeder steers and heifers were also steady. Some of the fleshier new crop calves which we are seeing a good many of are selling \$10 back of the dried out, conditioned stocker and feeder cattle. Pairs were a little softer and bred cows were steady. The Brangus and Brangus badly heifers that were not carrying any brands or earmarks were in strong demand for Replacement heifers. Packer cows and bulls were steady.
