

MASON & SAN SABA – Receipts totaled 1377 head for the week. The market opened at the beginning of the week with a softer tone and this continued through the week. With the hot weather and the good grass conditions a lot of the cattle were fuller and fleshier along with the futures market moving lower due to the stronger dollar slowing down exports and lowering drop credit values created a softer but still a very high market. The stocker steers sold \$3 lower and the stocker heifers were \$3-\$5 lower with a set of 13 steers 575 \$243.00 (\$1397.25). The bigger feeder steers sold \$5-\$6 lower with a set of 24 weighing 669 lbs \$210.00 (\$1404.90) and 7 head 751 lbs \$196.00 (\$1471.96). The feeder heifers were \$5 lower. Packer cows and bulls were steady with the top cow at \$122.00 and top bull at \$143.00. Pairs, bred cows and replacements heifers were steady.
