

Market Report

Jordan Cattle Auction
Thursday, October 22, 2020

MASON & SAN SABA – Receipts totaled 2,682 head. The market continued to move down this week with drier conditions and health issues on calves due to the cool nights and warm days which annually occurs this time of year. Also, corn prices have continued to move higher adding to the cost of gain on cattle going on feed. The stocker steers were \$5-\$7 lower and stocker heifers were \$5-\$10 lower. Feeder steers sold \$5 lower and heifers were \$2-\$5 lower. The plainer cattle and fat calves sold \$10-\$15 lower. Packer bulls were \$3 lower and packer cows were \$1 higher. Pairs and bred cows were steady. The medium to long bred heifers in the 7th Annual Hill County Youth Heifer sale ranged mostly from \$1350 up to \$2175 except for a set of Brahman medium bred heifers that sold for \$2650. The open heifers ranged from \$1100 to \$1325.
