History of Knox Brothers

Knox Brothers Angus and Hereford Ranch is located north of San Angelo, TX. Danny Knox bought his first registered Angus cattle in 2008 from LP Angus and RA Brown. In 2015 the Angus herd was expanded when cattle were purchased from Rishel Angus and Hoffman Ranch both of Nebraska. About that time Hereford cattle were introduced from some of the top herds in the country, King Hereford in New Mexico, Coleman Hereford in Colorado Hoffman Ranch in Nebraska, Colyer Hereford in Idaho and the entire spring calving herd from Elm Tree Farms in Kentucky. It is Knox Brothers goal to produce bulls and heifers that will fit any herd both purebred breeders and commercial cattle alike.
