

Market Report

Jordan Cattle Auction August 22, 2026

SAN SABA, TX – Receipts totaled 3,407 head with buyers on hand from Arizona, New Mexico, Oklahoma, and all across Texas along with 1,670 on the internet. Overall, the market had a softer tone with the extreme heat we are experiencing over the country, the recent news of some Tyson Beef plants shutting down, and the President's decision on Friday to remove tariffs on 300,000 metric tons of imported beef for 90 days to lower beef prices. All of this news has created uncertainty in beef markets. The better younger fleshier pairs sold from \$4500 up to \$6200. Some of the pairs carrying less flesh and solid mouth brought mostly from \$3700 up to \$4475. A large offering of bred cows were on hand with the younger fleshier, short, medium, and long bred cows ranging from \$3500 up to \$4800 except for a set of grey Brahman cows that sold for \$5800. Some of the solid mouth cows and some cows carrying less flesh went mostly from \$2700 up to \$3475. A larger offering of bred heifers were on hand with the bigger, larger frame heifers that were medium to long bred were bringing mostly from \$3800 up to \$5600. The balance of the bred heifers ranged mostly from \$2050 up to \$3775 depending on size, flesh, kind, and length of pregnancy. We had a lot of choice open heifers on hand with most bringing from \$2000 up to \$3600 except for a set of 40 open tigerstripe heifers that brought \$4150. The next Special Female Consignments will be on Thursday August 27th at 12:00 noon in conjunction with our regular sale. The next Special Replacement Female Sale will be on Saturday September 26, 2026 at 10:00 AM in San Saba, Texas.
