

Jorgensen Angus SmartBulls® Sale

Thursday, October 29, 2026 at 10:00 AM | San Saba, Texas

Featuring 60 Angus Bulls

In conjunction with our regular sale.

Bulls will be fertility-tested, meet trich requirements, and be ready to go to work.

The Jorgensen Angus SmartBulls® program brings Jorgensen Land & Cattle's Angus data-driven genetics to the forefront, combining proven performance with long-term value for commercial cattle producers. This offering features 60 Angus SmartBulls®, carefully selected for efficiency, predictability, and profitability. Backed by extensive performance data, these bulls are designed to deliver results in real-world ranch conditions.

Unlike younger bulls, Jorgensen Angus SmartBulls® are 30 months of age or older, making them physically mature and ready to go to work. Their added maturity allows them to breed more cows, travel larger pastures, and maintain body condition more effectively throughout the breeding season. If you're looking to make more informed breeding decisions, improve herd performance, and invest in genetics with proven value, this is the sale worth coming to.

For an online catalog go to our website.

If you are unable to attend the sale in person, you can watch and bid online through www.cattleusa.com or call us at 325-372-5159. Our team will be happy to assist you with your purchases.

Internet Bidding Guidelines

Watch the sale live and bid online at CattleUSA.com. If you've previously registered for online bidding, simply click the "**Live Auction**" button on our website and log in. If you have not registered before, please register at least **two business days prior to the sale**. For step-by-step instructions, visit www.jordancattle.com and click on "**Internet Sales**." For additional help on CattleUSA, see the **Frequently Asked Questions** section at cattleusa.com. If you still need assistance, feel free to call 325-372-5159 or email us at info@jordancattle.com.

A running order will be posted on our website the evening before the sale.
